Abbott, Maude

Feds honour Dr. Maude (Pinker) (NA) 1601
You say she looks like a tomato, I say she looks like a tomahto (Budden) (L) 317

Aborigines

The art of being an Inuit woman (Sibbald) (LA) 679
Breast-feeding and anemia: Let's be careful (Godel) (Comm) 343
Diabetes in Aboriginal populations (Anderson) (L) 11 (Baschetti) (L) 969 [reply] (Hall) (L) 11
Inuit physician aims to inspire (Sibbald) (HS) 1792
MD tickled by eagle feather (Sibbald) (NA) 397
NWT report urges recognition for aboriginal healers (Helwig) (NA) 1862
NWT residents are accident prone, live shorter lives (Helwig) (NA) 681
Of life and landscape (review of *Saqiyuq: stories from the lives of three Inuit women*) (Johnston) (LA) 837
Part of the family in northern Ontario (Pinker) (HS) 304
The pissin' smell (Martin) (LA) 1720
Prevalence of anemia among James Bay Cree infants of northern Quebec (Willows and others) (Res) 323
TB among aboriginal Canadians (Kahana) (L) 1404 [correction 1807] [reply] (Fitzgerald and others) (L) 1404
Training aboriginal health care professionals in Manitoba (Pinette and others) (L) 1661
Tuberculosis: 13. Control of the disease among aboriginal people in Canada (Fitzgerald and others) (Rev) 351
U of A proving popular with native students (Kent) (NA) 550

Abortion, legal

Access to the morning-after pill in BC (Gutowski) (L) 1554 (Osmond) (L) 1554
Despite some opposition, BC pharmacists to dispense morning-after pill without prescription (Sibbald) (NA) 876

Abstracting and indexing

Impact of abstracts and short reports (Garfield) (L) 490 (Veldhuyzen van Zanten) (L) 489 [reply] (Garfield) (L) 489 [reply] (Hoey) (L) 490

Academies and institutes

Canadian Institute for Health Information

Medicare (Ballinger) (L) 1125
Transplant queues grow as donor numbers wane (Martin) (NA) 1728

Canadian Institutes of Health Research

Bench research versus clinical trials: Where should Canadian grant dollars go? (Lee) (L) 754 [reply] (Sackett) (L) 756

Access to health care See Health services accessibility

Accident prevention

Preventing spinal cord injuries: Is this the best we can do? (Pless) (Comm) 792

Accidental exposure See Occupational exposure

Accidents

NWT residents are accident prone, live shorter lives (Helwig) (NA) 681

Accidents, traffic

MDs' bid to raise drinking age meets opposition (Square) (NA) 1599

Accreditation

The ER alternative: urgent care clinics coming of age (Sibbald) (NA) 1037

ACE See Angiotensin-converting enzyme inhibitors

Acoustic stimulation

Tuned in to the human voice (Hamilton) (NA) 1034

Acquired immunodeficiency syndrome

Africa's "future is frightening" because of HIV (Sibbald) (NA) 683
Bleak AIDS news from South Africa (Sullivan) (NA) 1468
Determinants of hospital admission among HIV-positive people in British Columbia (Weber and others) (Res) 783
HIV: the millennium bug (Willoughby) (Comm) 52
A tale of 2 epidemics: link discovered between smallpox and HIV resistance (Helwig) (NA) 406
Worldwide decline in health cause for alarm (Sibbald) (NA) 552

Actinomycetales

Indoor moulds and human health (Weir) (NA) 1469

Activase rt-PA See Tissue plasminogen activator

Acute disease

Building a "brain attack" team to administer thrombolytic therapy for acute ischemic stroke (Hill and others) (Rev) 1589
How valid are utilization review tools in assessing appropriate use of acute care beds? (Kaland and others) (Res) 1809
Rheumatology: 1. Is it arthritis? (Ensworth) (Rev) 1011
Rheumatology: 4. Acute monoarthritis (Cibere) (Rev) 1577

Acute myocardial infarction See Myocardial infarction

Acute renal failure See Kidney failure, acute

Adaptation, psychological

The only truly important problem (Ed) 745
Le seul problème vraiment sérieux (Ed) 747

Adenovirus infections, human

Gene therapy hits a snag (NA) 407

Administration, intravesical

A false-positive tuberculin test result (Parmar) (L) 19

Administration See Organization and administration

Admission rate See Patient admission

Adolescence

Boys and girls and healthy behaviour (Martin) (NA) 1603
The cannabis policy debate: finding a way forward (Hall) (Comm) 1690
Caveat lector: be wary of media reports about excessive Ritalin use in BC (Dormuth and others) (L) 313
Despite some opposition, BC pharmacists to dispense morning-after pill without prescription (Sibbald) (NA) 876
Female genital mutilation (Weir) (NA) 1344
Hockey injuries of the spine in Canada, 1966-1996 (Tator and others) (Res) 787
MDs' bid to raise drinking age meets opposition (Square) (NA) 1599
Measles and atopic diseases: no proof of prevention (Moulton) (NA) 865
Nonmedical drug use among adolescent students: highlights from the 1999 Ontario Student Drug Use Survey (Adlaf and others) (Res) 1677
Osler's unusual case (Cheng) (L) 490
Popularity of pot worries Quebec MDs (Pinker) (NA) 552
Raves: a review of the culture, the drugs and the prevention of harm (Weir) (Rev) 1843
Raves worry Edmonton MDs, police (Kent) (NA) 1864

- Ritalin use in BC (Rees) (L) 753
 SANE nurses staff Alberta's sexual assault response team (Kent) (NA) 683
 Shocking, graphic cigarette packages are a deterrent: study (Kilpatrick) (NA) 1601
 Some light from the heat: implications of rave parties for clinicians (Rieder) (Comm) 1829
 Le tabac devant les tribunaux (Éd) 1267
 The tattered map of childhood (Todkill) (LA) 1460
 Tobacco in the courts (Ed) 1265
 Vague child protection law puts onus on physician to report (Sibbald) (NA) 1464
 Withholding life-sustaining treatment: Are adolescents competent to make these decisions? (Doig and Burgess) (Rev) 1585

Adolescent pregnancy See Pregnancy in adolescence

Adrenal cortex hormones

- Anti-IgE asthma treatment reduces corticosteroid use (Moulton) (NA) 864

Adult

- Abuse against women a public health issue: MD (Swanson) (NA) 848
 Aging boomers spark new real estate trend (Kent) (NA) 850
 BC atherosclerosis reversal clinic graduates first patients (Kent) (NA) 556
 Benchmarking the vital risk of waiting for coronary surgery in Ontario (Naylor and others) (Res) 775
 Big snores, smaller fetus (Moulton) (NA) 865
 Biochemical markers in acute ischemic stroke (Hill and others) (Res) 1139
 Bulletin canadien sur les effets indésirables des médicaments (R) 1048
 Canadian Adverse Drug Reaction Newsletter (R) 1044
 The cannabis policy debate: finding a way forward (Hall) (Comm) 1690
 Chest pain with nondiagnostic electrocardiogram in the emergency department: a randomized controlled trial of two cardiac marker regimens (Dagnone and others) (Res) 1561
 The clinical burden of prostate cancer in Canada: forecasts from the Montreal Prostate Cancer Model (Grover and others) (Res) 977
 Clotting defects raise risk of venous thrombosis from the Pill (NA) 1197
 Determinants of hospital admission among HIV-positive people in British Columbia (Weber and others) (Res) 783
 Development and validation of the Osteoporosis Risk Assessment Instrument to facilitate selection of women for bone densitometry (Cadarette and others) (Res) 1289
 Development, dissemination, implementation and evaluation of a clinical pathway for oxygen therapy (Wong and others) (Res) 29
 Dilution of the 75-g oral glucose tolerance test increases postprandial glycemia: implications for diagnostic criteria (Sievenpiper and others) (Res) 993
 Direct and indirect randomized trials of screening: the A's and D's of evidence-based clinical practice guidelines (Mahon) (Comm) 1002
 Distribution of cardiovascular disease risk factors by socioeconomic status among Canadian adults (Choinière and others) (R) 135
 Drowning in Canada (Weir) (NA) 1867
 The economic burden of prostate cancer in Canada: forecasts from the Montreal Prostate Cancer Model (Grover and others) (Res) 987
 An evidence-based approach to the management of uninvestigated dyspepsia in the era of *Helicobacter pylori* (Veldhuyzen van Zanten and others) (R) 35
 Female genital mutilation (Weir) (NA) 1344
 Frequent users of the emergency department: a program to improve care and reduce visits (Pope and others) (Rev) 1017
 Heat and light in the childhood spanking debate (Jacques) (L) 758
 HIV infection and risk behaviours among young gay and bisexual men in Vancouver (Strathdee and others) (Res) 21
 Hockey injuries of the spine in Canada, 1966-1996 (Tator and others) (Res) 787
 Hypertension, self-perceived health status and use of primary care services (Finkelstein) (Res) 45
 Knowledge of cardiovascular disease risk factors among the Canadian population: relationships with indicators of socioeconomic status (Potvin and others) (R) 55
 A less deadly form of colorectal cancer (Basky) (NA) 864
 MDs' bid to raise drinking age meets opposition (Square) (NA) 1599

- Meta-analysis of benzodiazepine use in the treatment of insomnia (Holbrook and others) (Rev) 225
 Older and wiser? (Martin) (NA) 687
 Osler's unusual case (Cheng) (L) 490
 Pinpointing the genes at work in osteoarthritis and cardiovascular disease (Kent) (NA) 1604
 Plastic bread-bag clips in the gastrointestinal tract: report of 5 cases and review of the literature (Newell and others) (Rev) 527
 PSA screening: a view from the front lines (Greiver and others) (Comm) 789
 PSA screening: the bottom line (Elhilali) (Comm) 791
 Raves: a review of the culture, the drugs and the prevention of harm (Weir) (Rev) 1843
 Recommendations for the management and treatment of dyslipidemia. Report of the Working Group on Hypercholesterolemia and Other Dyslipidemias (Fodor and others) (Rev) 1441
 Rheumatology: 5. Diagnosis and management of inflammatory polyarthritis (Klinkhoff) (Rev) 1833
 Safrole in betel quid may be a risk factor for hepatocellular carcinoma: case report (Liu and others) (Rev) 359
 SANE nurses staff Alberta's sexual assault response team (Kent) (NA) 683
 Self-reported medical use of marijuana: a survey of the general population (Ogborne and others) (Res) 1685
 Shocking, graphic cigarette packages are a deterrent: study (Kilpatrick) (NA) 1601
 Some light from the heat: implications of rave parties for clinicians (Rieder) (Comm) 1829
 Stuttering: an update for physicians (Costa and Kroll) (Rev) 1849
 Use of physical and chemical restraints in medical teaching units (Kow and Hogan) (Res) 339
 Vitamin E not a heartfelt protector (Moulton) (NA) 1196

Advance directives

- Prenotification in cases of death at home (Harlos) (L) 631
 [reply] (Verbeek and Morrison) (L) 631

Adverse drug reaction reporting systems

- Bulletin canadien sur les effets indésirables des médicaments (R) 109, 1048
 Canadian Adverse Drug Reaction Newsletter (R) 105, 1044
 The need for greater involvement of regulatory agencies in assessing adverse drug reactions (Sniderman) (Comm) 209

Advertising

- Another round of jeopardy (Ed) 1113
 Une autre manche de <<jeopardie>> (Éd) 1115
 Censoring breast cancer in San Francisco (Helwig) (NA) 1338
 Dracula wants your blood. Now! (Kezwer) (NA) 246
 Litigation online (O'Reilly) (NA) 1033
 MD recruiting goes online (O'Reilly) (NA) 401
 US hospitals use waiting-list woes to woo Canadians (Kent) (NA) 547

Africa

- Africa's "future is frightening" because of HIV (Sibbald) (NA) 683
 Canada's flying doctor in Africa (Hass) (HS) 740
 What exactly were you highlighting? (Lofters) (L) 972
 [reply] (L) 972

Africa, Western

- One doctor, 150 countries (Pinker) (HS) 1540

Age factors

- Causes of Alzheimer's disease (Munoz and Feldman) (Rev) 65
 Coronary artery bypass surgery for elderly patients: Is our practice based on evidence or faith? (MacDonald and others) (Comm) 1005
 MDs' bid to raise drinking age meets opposition (Square) (NA) 1599
 Older and wiser? (Martin) (NA) 687
 Ovarian cancer in Canada (Moloughney and others) (NA) 690
 Postmenopausal estrogen replacement therapy and increased rates of cholecystectomy and appendectomy (Mamdani and others) (Res) 1421
 PSA screening: a view from the front lines (Greiver and others) (Comm) 789
 Rapports scientifiques sur l'origine ethnique, l'âge, le sexe et la race (Éd) 1395
 Scientific reporting of ethnicity, age, sex and race (Ed) 1393
 We protest! (Patchell) (L) 1664

(Szparaga) (L) 1664
(Tiessen) (L) 1664
[reply] (Sullivan) (L) 1664

Aged

Aging boomers spark new real estate trend (Kent) (NA) 850
"An old fool" and his bicycle (Sibbald) (HS) 620
Benchmarking the vital risk of waiting for coronary surgery in Ontario (Naylor and others) (Res) 775
Beyond polemic (Rockwood) (Comm) 51
Bulletin canadien sur les effets indésirables des médicaments (R) 1048
Can Quebec afford dialysis for every 80-year-old patient? (Pinker) (NA) 243
Canadian Adverse Drug Reaction Newsletter (R) 1044
Causes of Alzheimer's disease (Munoz and Feldman) (Rev) 65
Chest pain with nondiagnostic electrocardiogram in the emergency department: a randomized controlled trial of two cardiac marker regimens (Dagnone and others) (Res) 1561
The clinical burden of prostate cancer in Canada: forecasts from the Montreal Prostate Cancer Model (Grover and others) (Res) 977
CMA Policy: Principles for medical care of older persons (R) 1871
Coronary artery bypass surgery for elderly patients: Is our practice based on evidence or faith? (MacDonald and others) (Comm) 1005
The day I took Mama to the nursing home (Chandra) (LA) 1332
Doctor in the house? Project may open door to better care (Swanson) (NA) 1186
E. coli outbreak linked to fall fair (Helwig) (NA) 245
The economic burden of prostate cancer in Canada: forecasts from the Montreal Prostate Cancer Model (Grover and others) (Res) 987
Effect of preventive home visits by a nurse on the outcomes of frail elderly people in the community: a randomized controlled trial (Dalby and others) (Res) 497
Evaluating innovation in the care of Canada's frail elderly population (Bergman and Bédard) (Comm) 511
A history lesson (Etemad-Rezai) (LA) 1458
Hypertension, self-perceived health status and use of primary care services (Finkelstein) (Res) 45
Incidence and outcomes of diabetes mellitus in elderly people: report from the Canadian Study of Health and Aging (Rockwood and others) (Res) 769
Interpreting the results of small trials (Molnar and others) (L) 1401
Is 79 too old for a heart transplant? (Cairney) (NA) 390
Meta-analysis of benzodiazepine use in the treatment of insomnia (Holbrook and others) (Rev) 225
Pinpointing the genes at work in osteoarthritis and cardiovascular disease (Kent) (NA) 1604
Politique de l'AMC: Principes des soins médicaux pour les personnes âgées (R) 1873
PSA screening: a view from the front lines (Greiver and others) (Comm) 789
Recommendations for the management and treatment of dyslipidemia. Report of the Working Group on Hypercholesterolemia and Other Dyslipidemias (Fodor and others) (Rev) 1441
Surveillance for outbreaks of respiratory tract infections in nursing homes (Loeb and others) (Res) 1133
Vitamin B₁₂ injections for the elderly (Anello) (L) 1273
[reply] (van Walraven and Naylor) (L) 1275
Why aren't we falling for anticoagulant therapy? (Man-Son-Hing) (L) 191
[reply] (Connolly) (L) 191

Aged, 80 and over

Benchmarking the vital risk of waiting for coronary surgery in Ontario (Naylor and others) (Res) 775
Effect of preventive home visits by a nurse on the outcomes of frail elderly people in the community: a randomized controlled trial (Dalby and others) (Res) 497
Evaluating innovation in the care of Canada's frail elderly population (Bergman and Bédard) (Comm) 511
The housecall (Kramer) (LA) 379
Incidence and outcomes of diabetes mellitus in elderly people: report from the Canadian Study of Health and Aging (Rockwood and others) (Res) 769

Aging

Aging boomers spark new real estate trend (Kent) (NA) 850

Clara's cataract (Rappaport) (LA) 840
I am (Dickson) (LA) 259
Is cloning the fountain of youth? (Kent) (NA) 1866
Secrets of long life (NA) 557
The warranty is running out (Dickson) (LA) 1181

AIDS See Acquired immunodeficiency syndrome

AIDS seroconversion See HIV seropositivity

AIDS-related opportunistic infections

Determinants of hospital admission among HIV-positive people in British Columbia (Weber and others) (Res) 783

Air ambulances

Rapid test may save money by allowing quicker emergency flights (Kent) (NA) 1031

Air force personnel See Military personnel

Air pollution

"If everybody lived like Canadians do, we'd need 5 more planets" (Sibbald) (NA) 687

Aircraft

The aftermath of the Swissair crash (Thornington) (L) 317
Canada's flying doctor in Africa (Hass) (HS) 740

Alberta

Alberta ignores vocal opposition, presses ahead with law to expand role of private clinics (Cairney) (NA) 1606
Alberta is back at it, goading the feds (Gray) (NA) 411
Alberta launches country's first peer-support network for MDs in legal trouble (Sibbald) (NA) 1868
Alberta Physician Achievement Review [reply] (Violato and Hall) (L) 1803
Attaque chirurgicale de Klein contre l'assurance-maladie (Éd) 311
Klein's surgical strike at medicare (Ed) 309
Medicare (Ballinger) (L) 1125
Mr. Mavrocki and the bees (Lupin) (LA) 88
Raves worry Edmonton MDs, police (Kent) (NA) 1864
Screening program lets Alberta test newborns' hearing (Kent) (NA) 1726
The seroprevalence of hepatitis A and B in people testing positive for hepatitis C (Kiefer and others) (Res) 207
Will it be third time lucky for Ralph Klein? (Cairney) (NA) 409

Calgary

Building a "brain attack" team to administer thrombolytic therapy for acute ischemic stroke (Hill and others) (Rev) 1589
Use of physical and chemical restraints in medical teaching units (Kow and Hogan) (Res) 339

Edmonton

Civilian facilities now provide care for Edmonton's 7000 soldiers, train military MDs (Kent) (NA) 1042
Is 79 too old for a heart transplant? (Cairney) (NA) 390
MD's gentle approach eases trauma of sexual abuse (Cairney) (HS) 956
SANE nurses staff Alberta's sexual assault response team (Kent) (NA) 683
Saving saliva function during treatment for head and neck cancer (Basky) (NA) 1035
A Starfish that stops deadly toxins (Cairney) (NA) 1343
U of A proving popular with native students (Kent) (NA) 550

Alcohol drinking

Changing drinking-and-driving behaviour: the effects of Ontario's administrative driver's licence suspension law (Mann and others) (Res) 1141
Identifying and treating patients with alcohol-related problems (Ogborne) (Rev) 1705
MDs' bid to raise drinking age meets opposition (Square) (NA) 1599
Le médecin de la tempérance (Éd) 1655
Nonmedical drug use among adolescent students: highlights from the 1999 Ontario Student Drug Use Survey (Adlaf and others) (Res) 1677
Popularity of pot worries Quebec MDs (Pinker) (NA) 552
The relative risks and etiologic fractions of different causes of death and disease attributable to alcohol, tobacco and illicit drug use in Canada (Single and others) (Res) 1669
The temperate doctor (Ed) 1653

Alcoholism

Identifying and treating patients with alcohol-related problems (Ogborne) (Rev) 1705
NWT residents are accident prone, live shorter lives (Helwig) (NA) 681

CMAJ is indexed according to the medical subject headings established by the National Library of Medicine, US National Institutes of Health.

Each article title is followed by a code that designates the article's category. The categories and accompanying codes are listed below.

Le *JAMC* est indexé par vedette-matière selon la nomenclature de la National Library of Medicine des National Institutes of Health américains.

Chaque titre d'article est suivi d'un code qui indique dans quelle catégorie l'article appartient. Les catégories et leurs codes sont les suivantes.

- A -

Abdominal pain

Plastic bread-bag clips: the saga continues (Fallone) (L) 16

Aborigines

Bioethics for clinicians: 18. Aboriginal cultures (Ellerby and others) (Rev) 845

Child hunger in Canada: results of the 1994 National Longitudinal Survey of Children and Youth (McIntyre and others) (Res) 961

Climbing to the top (Patterson) (HR) 1584

Intervening to reduce weight gain in pregnancy and gestational diabetes mellitus in Cree communities: an evaluation (Gray-Donald and others) (Res) 1247

Planning research for greater community involvement and long-term benefit (Special Working Group of the Cree Regional Child and Family Services Committee) (Comm) 1273

Prevention of perinatal transmission of HIV infection (Robinson and Lee) (Res) 831

Retirement's a four-letter word for Manitoba MD (Square) (HS) 376

Training aboriginal health care workers (King and Hodes) (L) 259

Type 2 diabetes mellitus in Canada's First Nations: status of an epidemic in progress (Young and others) (Rev) 561 [correction 1132]

Abortion, legal

Emergency contraception (Cole) (L) 261

FDA considering restricted access to "abortion pill" (Sibbald) (NA) 586

Academic medical centres

One solution to providing clinical coverage for pediatric inpatients (Goldbloom) (Comm) 287

Providing after-hours on-call clinical coverage in academic health sciences centres: the Hospital for Sick Children experience (Friedman and Laxer) (Rev) 298

Access to health care See Health services accessibility

Accident prevention

Combating car accidents by examining the causes (Kent) (NA) 75

Accidents, traffic

Combating car accidents by examining the causes (Kent) (NA) 75

You can't have one without the other (Scott) (L) 697

Acetaminophen

Rheumatology: 7. Basics of therapy (Huang) (Rev) 417

Acquired immunodeficiency syndrome

AIDS on the front line (review of *AIDS doctors: voices from the epidemic*) (Berger) (LA) 1486

Letter from Durban (Jeffery) (NA) 322

Activities of daily living

Ice Age (Lightfoot) (HR) 1591

Acupuncture

East meets West in busy Edmonton practice (Kent) (HS) 484

Acute myocardial infarction See Myocardial infarction

Acute respiratory failure See Respiratory insufficiency

Addictive behaviour See Behavior, addictive

Adenocarcinoma

Screening colonoscopy: Is it time? (Simon) (Comm) 1277

Adhesive capsulitis See Bursitis

Adjuvants, immunologic

Treating obsessive-compulsive and tic disorders (Weir) (NA) 82

Administration, inhalation

Inhaled corticosteroids and COPD (Farquhar) (NA) 326

Administration, rectal

An unexpected benefit of pre-emptive rectal analgesic administration: the "key" to postoperative analgesia (Parlow) (HR) 1576

Adolescence

Competency of adolescents to make informed decisions (Wolfish) (L) 1424

The continent of cancer (Wilson) (HR) 1620

Emergency contraception (Cole) (L) 261

Treating obsessive-compulsive and tic disorders (Weir) (NA) 82

Adrenal cortex hormones

Inhaled corticosteroids and COPD (Farquhar) (NA) 326

New evidence of a link between inhaled corticosteroid use and osteoporosis (Myers) (NA) 1335

Rheumatology: 8. Advanced therapy (Lacaille) (Rev) 721

Adrenergic alpha-antagonists

Hypertension and α -adrenergic blockers: preliminary

ALLHAT results (Chen) (NA) 437

Adrenergic beta-antagonists

Acute myocardial infarction in Canada: improvement with time (Dodek) (Comm) 41

β -Blockers as first-line therapy for hypertension (Heckman and others) (L) 1424

Choosing a first-line drug in the management of elevated blood pressure: What is the evidence? 2: β -Blockers (Wright) (Rev) 188

Adult

ACE inhibitors and high-risk patients (Myers) (NA) 327

Barriers to appropriate diabetes management among homeless people in Toronto (Hwang and Bugeja) (Res) 161

Can your patients understand you? (Sibbald) (NA) 1039

Canadian normative data for the SF-36 health survey (Hopman and others) (Res) 265

The Canadian SF-36 health survey: Normative data add to its value (Wood-Dauphinee) (Comm) 283

Choosing a first-line drug in the management of elevated blood pressure: What is the evidence? 1: Thiazide diuretics (Wright) (Rev) 57

Colorectal cancer screening: Now is the time (Winawer and Zauber) (Comm) 543

Comparison of human papillomavirus DNA testing and repeat Papanicolaou test in women with low-grade cervical cytologic abnormalities: a randomized trial (Lytwin and others) (Res) 701

Comparison of self-collected vaginal, vulvar and urine samples with physician-collected cervical samples for human papillomavirus testing to detect high-grade squamous intraepithelial lesions (Sellors and others) (Res) 513

Detecting *Helicobacter pylori* infection (Weir) (NA) 83

Eat right, live longer? (NA) 434

- The economic burden of physical inactivity in Canada (Katzmarzyk and others) (Res) 1435
- Folic acid supplementation: more work is needed (Björklund and others) (L) 1129
[reply] (Friel) (L) 1129
- HIV infection and risk behaviours in young gay and bisexual men (Remis and others) (L) 14
- Hypertension and α -adrenergic blockers: preliminary ALLHAT results (Chen) (NA) 437
- Induction of labour: a continuous quality improvement and peer review program to improve the quality of care (Harris and others) (Rev) 1163
- Inhaled corticosteroids and COPD (Farquhar) (NA) 326
- Intervening to reduce weight gain in pregnancy and gestational diabetes mellitus in Cree communities: an evaluation (Gray-Donald and others) (Res) 1247
- Investigation and treatment of osteoporosis in patients with fragility fractures (Hajcsar and others) (Res) 819
- Lower target blood pressure for patients with diabetes mellitus (Chen) (NA) 1500
- Nearly a quarter of Canadians head online for health info (Martin) (NA) 1328
- New evidence of a link between inhaled corticosteroid use and osteoporosis (Myers) (NA) 1335
- A new option in oral hypoglycemic therapy for type 2 diabetes mellitus (Farquhar) (NA) 1186
- Organized breast cancer screening programs in Canada (Miller) (Comm) 1150
- Patterns of use of the bone mineral density test in Ontario, 1992-1998 (Jaglal and others) (Res) 1139
- Performance of screening mammography in organized programs in Canada in 1996 (Paquette and others) (Res) 1133
- Planning research for greater community involvement and long-term benefit (Special Working Group of the Cree Regional Child and Family Services Committee) (Comm) 1273
- Plastic bread-bag clips: the saga continues (McDonald and Rusnak) (L) 16
- Population-based fecal occult blood screening for colon cancer: Will the benefits outweigh the harm? (Marshall) (Comm) 545
- Prevalence and predictors of human papillomavirus infection in women in Ontario, Canada (Sellors and others) (Res) 503
- Rape in war: the humanitarian response (Shanks and Schull) (Comm) 1152
- Rate of HIV infection on rise among Ontario's gay men (NA) 321
- The ravages of war (Alakija) (Comm) 1148
- Screening colonoscopy: Is it time? (Simon) (Comm) 1277
- Screening for cervical cancer: Should we test for infection with high-risk HPV? (Meijer and others) (Comm) 535
- Sildenafil: from the bench to the bedside (Michelakis and others) (Rev) 1171
- Task force recommends screening females for abuse beginning at age 12 (Swanson) (NA) 1492
- Advance directives**
- Netherlands set to legalize long-tolerated euthanasia (Keszwer) (NA) 324
- Adverse drug reaction reporting systems**
- Bulletin canadien sur les effets indésirables des médicaments (R) 89, 883
- Canadian Adverse Drug Reaction Newsletter (R) 85, 879
- Afghanistan**
- Dispatches from abroad: laughter amid the land mines (Mayhew) (HR) 1601
- Africa**
- Poor conditions in refugee camps make malaria screening difficult: expert (Sullivan) (NA) 1036
- Africa south of the Sahara**
- MDs promote self-sufficiency in ravaged Africa (Pinker) (NA) 435
- Age factors**
- Anticoagulation therapy for patients with atrial fibrillation (Hart) (L) 956
- Are pagers replacing the stethoscope as a medical symbol? (Martin) (NA) 1038
- Canadian normative data for the SF-36 health survey (Hopman and others) (Res) 265
- The Canadian SF-36 health survey: Normative data add to its value (Wood-Dauphinee) (Comm) 283
- Criteria for evaluating evidence that laboratory abnormalities are associated with the development of venous thromboembolism (Bates and others) (Rev) 1016
- Driving: How old is too old? (Buske) (NA) 1334
- Expanding the epidemiologic profile: risk factors for active tuberculosis in people immigrating to Ontario (Wobeser and others) (Res) 823
- The greying of Canada's medical workforce continues (Buske) (NA) 876
- Is massage therapy genuinely effective? (Sedergreen) (L) 953
- More Canadians need dialysis (NA) 319
- Oldest at graduation (Hunter) (L) 261
(Sender) (L) 261
- Organized breast cancer screening programs in Canada (Miller) (Comm) 1150
- Performance of screening mammography in organized programs in Canada in 1996 (Paquette and others) (Res) 1133
- Prevalence and predictors of human papillomavirus infection in women in Ontario, Canada (Sellors and others) (Res) 503
- Screening colonoscopy: Is it time? (Simon) (Comm) 1277
- Screening for cervical cancer: Should we test for infection with high-risk HPV? (Meijer and others) (Comm) 535
- Secular trends in the body mass index of Canadian children (Tremblay and Willms) (Res) 1429
- Youngest medical graduate (Macaulay) (L) 498
- Aged**
- ACE inhibitors and high-risk patients (Myers) (NA) 327
- Asymptomatic bacteriuria in institutionalized elderly people: evidence and practice (Nicolle) (Comm) 285

Antibiotic prophylaxis

Evaluating the benefits of antimicrobial prophylaxis to prevent urinary tract infections in children: a systematic review (Le Saux and others) (Res) 523

Antibiotics

Asymptomatic bacteriuria in institutionalized elderly people: evidence and practice (Nicolle) (Comm) 285
Curb use of drugs in farm animals, WHO advises (Sibbald) (NA) 751
E. coli, antibiotics and hemolytic-uremic syndrome in children (Farquhar) (NA) 438
The validity of a sore throat score in family practice (McIsaac and others) (Res) 811
Why are antibiotics prescribed for asymptomatic bacteriuria in institutionalized elderly people? A qualitative study of physicians' and nurses' perceptions (Walker and others) (Res) 273

Anticarcinogenic agents

Tomato lycopene and its role in human health chronic diseases (Agarwal and Rao) (Rev) 739

Anticoagulants

Anticoagulation therapy for patients with atrial fibrillation (Hart) (L) 956
[reply] (Connolly) (L) 1235
Criteria for evaluating evidence that laboratory abnormalities are associated with the development of venous thromboembolism (Bates and others) (Rev) 1016
Risk factors for thromboembolism: pathophysiology and detection (Solymoss) (Comm) 991

Antidepressive agents

St. John's wort and schizophrenia (Lal and Iskandar) (L) 262

Anti-HIV agents

Letter from Durban (Jeffery) (NA) 322
Prevention of perinatal transmission of HIV infection (Robinson and Lee) (Res) 831

Antihypertensive agents

Sildenafil: from the bench to the bedside (Michelakis and others) (Rev) 1171
When should hypertension be treated? The different perspectives of Canadian family physicians and patients (McAlister and others) (Res) 403

Anti-inflammatory agents, non-steroidal

Rheumatology: 7. Basics of therapy (Huang) (Rev) 417
An unexpected benefit of pre-emptive rectal analgesic administration: the "key" to postoperative analgesia (Parlow) (HR) 1576

Anti-inflammatory agents, steroidal

Rheumatology: 6. Localized rheumatism (Price) (Rev) 176

Antioxidants

Tomato lycopene and its role in human health chronic diseases (Agarwal and Rao) (Rev) 739

Antipsychotic agents

Bulletin canadien sur les effets indésirables des médicaments (R) 89
Canadian Adverse Drug Reaction Newsletter (R) 85

Antirheumatic agents

Rheumatology: 8. Advanced therapy (Lacaille) (Rev) 721

Antiviral agents

Bulletin canadien sur les effets indésirables des médicaments (R) 883
Canadian Adverse Drug Reaction Newsletter (R) 879

Appointments and schedules

Are pagers replacing the stethoscope as a medical symbol? (Martin) (NA) 1038

Art

Caught looking (Miller) (LA) 866
The existential art of Alex Colville (Todkill) (LA) 748
The Famous 5 and the infamous Lizzie (Woollard) (LA) 1026
Modern optics (Todkill) (LA) 194
Packaging Picasso (Todkill) (LA) 72
A stitch in time (Moulton) (NA) 198
Tangles (Lara) (LA) 1489
Under Cézanne's shadow (Ruskin) (LA) 746

Arthritis

Rheumatology: 9. Physical and occupational therapy in the management of arthritis (Clark) (Rev) 999

Arthritis, rheumatoid

Rheumatology: 8. Advanced therapy (Lacaille) (Rev) 721

Arthroplasty, replacement, hip

Rheumatology: 10. Joint replacement of the hip and knee — when to refer and what to expect (Brady and others) (Rev) 1285

Arthroplasty, replacement, knee

Rheumatology: 10. Joint replacement of the hip and knee — when to refer and what to expect (Brady and others) (Rev) 1285

Artificial blood See Blood substitutes

Ashford, Mary-Wynne

A disarming doctor (Sibbald) (HS) 1540

Asthma

New evidence of a link between inhaled corticosteroid use and osteoporosis (Myers) (NA) 1335

Atherosclerosis

Emerging relations between infectious diseases and coronary artery disease and atherosclerosis (Fong) (Rev) 49

Atherosclerosis, coronary See Coronary arteriosclerosis

Atomic bomb See Nuclear warfare

Atrial fibrillation

Anticoagulation therapy for patients with atrial fibrillation (Hart) (L) 956
[reply] (Connolly) (L) 1235

Attitude to death

Bioethics for clinicians: 20. Chinese bioethics (Bowman and Hui) (Rev) 1481
Difficult journeys (review of *Cancer stories: on life and suffering*) (Mulder) (LA) 863
Discussions of "code status" on a family practice teaching ward: What barriers do family physicians face? (Calam and others) (Res) 1255
Parallax (Uhlmann) (LA) 865
The reflecting pool (Paola) (LA) 1025
The salmon (Cameron) (LA) 1319

Attitude to health

Bioethics for clinicians: 20. Chinese bioethics (Bowman and Hui) (Rev) 1481
The continent of cancer (Wilson) (HR) 1620

Aung, Steven

East meets West in busy Edmonton practice (Kent) (HS) 484

Australia

Brain refill from Down Under (Lloyd) (L) 13

Authorship

An author by any other name (Harvey) (L) 1426
[reply] (Hoey) (L) 1427
Authorship of articles in *CMAJ*: Who goes first? (Weir) (HR) 1553
Who wrote this paper anyway? The new Vancouver Group statement refines the definition of authorship (Hoey) (Comm) 716

Autistic disorder

BC families win suit over government payment for expensive autism therapy (Kent) (NA) 1181

Automobile driving

Driving: How old is too old? (Buske) (NA) 1334
Driving and our aging population (Byszewski and Dalziel) (L) 1130
[reply] (Irving) (L) 1131
Fitness-to-drive guide flying off shelf (NA) 749
Revised fitness-to-drive guide now available (Sibbald) (NA) 198

Autopsy

Capturing zebras: what to do with a reportable case (Wright and Kouroukis) (Rev) 429

Avitaminosis

Preventive health care, 2000 update: screening and management of hyperhomocysteinemia for the prevention of coronary artery disease events (Booth and others) (Res) 21

Awards and prizes

McMaster Night at Canada's Medical Hall of Fame (NA) 319

Awareness

Child hunger: semi-starvation study repeated in Canada (Birmingham) (Comm) 985

Azathioprine

Rheumatology: 8. Advanced therapy (Lacaille) (Rev) 721

- B -

Bacteriuria

Asymptomatic bacteriuria in institutionalized elderly people: evidence and practice (Nicolle) (Comm) 285

Why are antibiotics prescribed for asymptomatic bacteriuria in institutionalized elderly people? A qualitative study of physicians' and nurses' perceptions (Walker and others) (Res) 273

Barbiturates

New guidelines for barbiturate-containing analgesics: Don't start, and help stop! (McLean) (Comm) 414

Barrett, Peter

Brave new world of e-medicine confronts all MDs, incoming president says (Sibbald) (NA) 325

Renewal of health care is finally going to happen, minister tells CMA (Sibbald) (NA) 594

Baseball

Blue Jays show a little skin (NA) 433

Bayes theorem

Bayesian assessment of adverse drug reactions (Hutchinson) (Comm) 1463

Hematologic dyscrasia associated with ticlopidine therapy: evidence for causality (Paradiso-Hardy and others) (Res) 1441

Bears

Pathology in the Hundred Acre Wood: a neurodevelopmental perspective on A.A. Milne (Shea and others) (HR) 1557

Behavior, addictive

Internet addicts can get online help (O'Reilly) (NA) 199

Behavior therapy

BC families win suit over government payment for expensive autism therapy (Kent) (NA) 1181

Veterans and post-traumatic stress disorder (Weir) (NA) 1187

Belleau, Bernard

McMaster Night at Canada's Medical Hall of Fame (NA) 319

Benzodiazepines

Treatment of primary insomnia (Montplaisir) (L) 389
[reply] (Holbrook and Labiris) (L) 390

Beta-blockers, adrenergic See Adrenergic beta-antagonists

Bezroda, Werner

Cancer researcher fired after false data uncovered (Sullivan) (NA) 81

Bicycling

"Hey Dad, it's one-armed Will" (Wemp) (HS) 144

Bilingualism See Multilingualism

Bioethics

Bioethics for clinicians: 18. Aboriginal cultures (Ellerby and others) (Rev) 845

Bioethics for clinicians: 19. Hinduism and Sikhism (Coward and Sidhu) (Rev) 1167

Bioethics for clinicians: 20. Chinese bioethics (Bowman and Hui) (Rev) 1481

Bioethics for clinicians: continuing the series (Singer and Todkill) (Comm) 833

Hepatitis B and medical students (Colistro) (L) 259

Newfoundland and Labrador: it's all in the genes (Moulton) (NA) 321

Reading Freedman (review of *Duty and healing: foundations of a Jewish bioethic*) (Novak) (LA) 577

Bioflavonoids

Bioflavonoids linked to childhood leukemia (NA) 324

Biography

Banking on the Third World (Pinker) (HS) 940

Brave new world of e-medicine confronts all MDs, incoming president says (Sibbald) (NA) 325

CMAJ's new editorial fellow merges science and science fiction (Sibbald) (NA) 1034

A disarming doctor (Sibbald) (HS) 1540

East meets West in busy Edmonton practice (Kent) (HS) 484
